Dear Mr. Alderson:

This is in response to your May 3, 2016 Freedom of Information Law (FOIL) request seeking, “. . .pertaining to the Crestwood gas-storage operation in Reading, NY and to all Crestwood subsidiaries operating there . . . ANY and ALL responsive records to show that the DEC actually knows what substances are being injected into the salt caverns on Seneca Lake . . . specifically, for test results on the contents of the caverns or other documents that might lead the DEC to think it knows what's in them . . . from 1/1/2000 to present.”

Be advised that your request is denied, as any records in the agency's possession responsive to this request will be provided to you in response to your previous request, numbered W005663-033116. The agency is currently processing request W005663 and it is due June 24, 2016.

You have the right to appeal the Department's denial of access to these records. Any such appeal must be submitted in writing and within thirty days of the date of this email or letter. Please direct any appeal, in writing, to:

FOIL Appeals Officer  
Office of General Counsel  
New York State Department of Environmental Conservation  
625 Broadway  
Albany, NY 12233-1500

If I can be of further assistance, please contact me and reference FOIL W004786-030916.

Sincerely,

**Aldie K. Levine, Esq.**

Records Access Officer, Office of General Counsel  
**New York State Department of Environmental Conservation**
